Dear Partners & Friends;

RE: CONDOLENCE MESSAGE FROM CWM UGANDA

It was on a sad note that we learnt of the death of our dear friend and founder of CWM in Uganda – **Mr. Werner Reiter**. CWM-Uganda members are saddened by the loss of our dear partner, however we celebrate his life and we know that he is watching down on us from heaven. It is with fondness that we remember his frequent visits and love for Uganda and we shall forever treasure his presence in our lives.

In this trying moment we stand with his family especially his dear wife **Agnes Reiter** and we pray that God will give you strength and courage in your time of bereavement. Take comfort in our friendship, prayer, and peace in love.

In this tough time in your life, may our friendship, sympathy and heartfelt condolences bring you comfort. All we can promise is our prayers and love. May the soul of **Werner Reiter Rest in Eternal Peace** for he has been a true and faithful servant of God.

It was an honor to have known such a great person and we the members of CWM-Uganda will truly miss him.

Yours in Friendship on behalf of all CWM-Uganda members;

Dick Mugisa Komurubuga

National Chairperson
